

Elkton Education Additional Resource

Board of Directors: Cathy Byle, Doug Byle, Mike Hughes, Cynde Pakros

Purpose: We are a non-profit foundation, established in 2008, for the purpose of supporting educational programs at Elkton School District and Elkton Community Education Center in the rural community of Elkton, Oregon.

Mission: Our mission is to establish stable, long-term financial support for the legacy of quality education in Elkton School District and the Elkton community.

Goals: EEAR will provide funds for **staffing** lost or “at-risk” school programs (especially Music, Art, and Drama), **grants** for educational projects, **scholarships** for individuals, and **endowment** for long-term support of Elkton School District and its students.

Donors may make *unrestricted* gifts or *earmarked* contributions to support specific programs (e.g. music, science). A donation can also be made as an *endowment* that would build long term support.

OTHER WAYS TO GIVE...

- Volunteer
- Website support
- AmazonSmile and Fred Meyer charitable rewards programs
- Annual giving
- Fundraising events
